

BEFORE THE BOARD OF OIL AND GAS CONSERVATION
OF THE STATE OF MONTANA

UPON THE APPLICATION OF
LYCO ENERGY CORPORATION TO
DELINEATE ALL OF SECTION 32,
T23N-R58E, RICHLAND COUNTY,
MONTANA, AS A FIELD AND
PERMANENT SPACING UNIT FOR
PRODUCTION OF OIL AND
ASSOCIATED NATURAL GAS
FROM THE BAKKEN FORMATION.

ORDER NO. 283-2005

Docket No. 313-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that the application of Lyco Energy Corporation to delineate all of Section 32, T23N-R58E, Richland County, Montana, as a field and permanent spacing unit for production of oil and associated natural gas from the Bakken Formation is granted.

BOARD ORDER NO. 283-2005

Done and performed by the Board of Oil and Gas Conservation of the State of Montana at Billings, Montana, this 1st day of September, 2005.

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application in the manner hereinafter set forth will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that CamWest II, L.P. is authorized to convert its Hellegaard 6 well (API # 25-091-21799) in the NW¼NE¼ of Section 15, T37N-R57E, Flat Lake Field, Sheridan County, Montana, to a water injection well into the Nisku Formation within the Flat Lake Nisku Unit subject to the stipulations on the Sundry Notice.

ATTEST:

Terri H. Perrigo, Executive Secretary

BEFORE THE BOARD OF OIL AND GAS CONSERVATION
OF THE STATE OF MONTANA

UPON THE APPLICATION OF
MONTANA LAND & EXPLORATION, INC.
TO POOL ALL INTERESTS, ON THE BASIS
OF SURFACE ACREAGE, IN THE
PERMANENT SPACING UNIT COMPRISED
OF SECTION 35, T33N-R22E, BLAINE
COUNTY, MONTANA, FOR PRODUCTION
OF NATURAL GAS FROM THE EAGLE
FORMATION.

ORDER NO. 309-2005

Docket No. 340-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that all interests in the permanent spacing unit comprised of Section 35, T33N-R22E, Blaine County, Montana, for production of natural gas from the Eagle Formation are pooled on the basis of surface acreage.

IT IS FURTHER ORDERED that a federal communitization agreement for spacing units which contain both federal and non-federal land shall be submitted to the authorized officer of the Bureau of Land Management prior to or upon completion of a producible well.

ALL OF SECTION 7, T14N-R55E, DAWSON
COUNTY, MONTANA, AS A PERMANENT
SPACING UNIT FOR PRODUCTION OF OIL
AND ASSOCIATED GAS FROM THE RED
RIVER FORMATION AND TO DESIGNATE
APPLICANT'S GLENDIVE 43-07H WELL
AS THE AUTHORIZED WELL FOR SAID
SPACING UNIT. (GLENDIVE FIELD)

ORDER NO. 321-2005

Docket No. 352-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that all of Section 7, T14N-R55E, Dawson County, Montana, is delineated as a permanent spacing unit for production of oil and associated gas from the Red River Formation.

IT IS FURTHER ORDERED that applicant's Glendive 43-07H well is designated as the authorized well for said permanent spacing unit.

BOARD ORDER NO. 321-2005

Done and performed by the Board of Oil and Gas Conservation of the State of Montana at Billings, Montana, this 1st day of September, 2005.

BOARD OF OIL AND GAS CONSERVATION
OF THE STATE OF MONTANA

WITH SAID LATERALS TO BE LOCATED NO
CLOSER THAN 660 FEET TO THE EXTERIOR
BOUNDARIES OF SAID SPACING UNIT.
(GLENDDIVE FIELD)

ORDER NO. 322-2005

Docket No. 353-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The applicant indicated that the proposed location for the additional well would be discussed with the surface owner.
3. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that Encore Operating, L.P. is authorized to drill an additional Red River Formation dual lateral horizontal well in the 640-acre permanent spacing unit comprised of all of Section 7, T14N-R55E, Dawson County, Montana, with said laterals to be located no closer than 660 feet to the exterior boundaries of said spacing unit.

SPACING UNIT BUT NOT LESS THAN
660 FEET TO THE BOUNDARIES THEREOF.

ORDER NO. 333-2005

Docket No. 371-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 1st day of September, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. Member Wayne Smith was absent. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that all of Sections 12 and 13, T25N-R55E, Richland County, Montana, are designated as a temporary spacing unit for drilling one multilateral horizontal well in the Bakken Formation, said well to be located anywhere within said spacing unit but not less than 660 feet to the boundaries thereof.
