ESTABLISHED BY BOARD ORDER 159-2002.

ORDER NO. 343-2005

Docket No. 386-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 27th day of October, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that the 640-acre temporary spacing unit for the Eagle Formation consisting of the SW¼ of Section 27, the SE¼ of Section 28, the NE¼ of Section 33, and the NW¼ of Section 34, all in T26N-R15E, Chouteau County, Montana, as established by Board Order 159-2002, is hereby vacated.

ORDER NO. 355-2005

Docket No. 402-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 27th day of October, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that EOG Resources, Inc. is authorized to drill an additional horizontal Bakken Formation well in the permanent spacing unit comprised of all of Section 25, T25N-R53E, Richland County, Montana.

IT IS FURTHER ORDERED that said well may be located anywhere within the permanent spacing unit but not closer than 660 feet to the boundaries thereof.

ORDER NO. 416-2005

Docket No. 328-2005

Report of the Board

The above entitled cause came on regularly for hearing on the 27th day of October, 2005 in the conference room of the Billings Petroleum Club in the Billings Sheraton in Billings, Montana, pursuant to the order of the Board of Oil and Gas Conservation of the State of Montana, hereinafter referred to as the Board. At this time and place testimony was presented, statements and exhibits were received, and the Board then took the cause under advisement; and, the Board having fully considered the testimony, statements and exhibits and all things and matters presented to it for its consideration by all parties in the Docket, and being well and fully advised in the premises, finds and concludes as follows:

Findings of Fact

1. Due, proper and sufficient notice was published and given of this matter, the hearing hereon, and of the time and place of said hearing, as well as the purpose of said hearing; all parties were afforded opportunity to present evidence, oral and documentary.
2. The evidence indicates that granting the application will serve to protect correlative rights and be in the interest of conservation of oil and gas in the State of Montana.

Order

IT IS THEREFORE ORDERED by the Board of Oil and Gas Conservation of the State of Montana that the application of CamWest II, L.P. is granted as applied for, subject to stipulations on the Sundry Notice.
