Re: Pending Notice of Intent to Change Operator and Request to Appear

Dear Mr. Patrick Montalban:

This letter is regarding the Notice of Intent to Change Operator request from Omimex Canada Ltd. to Montalban Oil & Gas Operations, Inc. (MOGO) that was recently submitted to the Board of Oil and Gas Conservation (Board).

The Board and its staff have reviewed the request and the approval of the request will result in 5 or more inactive wells on MOGO's multiple well bond. Due to the Board's transfer of plugging and reclamation policy, the approval of the change of operator request is being referred to the Board. The policy is enclosed. MOGO is to appear at the February 4, 2021, public hearing. At that time, the Board will determine if MOGO's current \$50,000 multiple well plugging and reclamation bond is adequate prior to the approval of the change of operator request.

MOGO and its attorney should review the enclosed policy for the suggested information to provide to the Board.

If you have any questions, please contact me at (406) 656-0040 or at jhalvorson@mt.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim".
