Re: Pending Notice of Intent to Change Operator

Dear A.B. Energy LLC:

This letter is regarding the Notice of Intent to Change Operator request from Croft Petroleum Co. to A.B. Energy LLC (A.B.) and the request for A.B. to take over the State 1-32 orphan well, API # 25-101-23264, that was recently submitted to the Board of Oil and Gas Conservation (Board).

The Board and its staff have reviewed the request and the approval of the request will result in 5 or more inactive wells on A.B.'s multiple well bond. Due to the Board's transfer of plugging and reclamation policy, the approval of the change of operator request is being referred to the Board. The policy is enclosed.

A.B. is requested to appear at the April 8, 2021, public hearing. At that time, the Board will determine if A.B.'s current \$50,000 multiple well plugging and reclamation bond is adequate prior to the approval of the change of operator request. A.B. and its attorney should review the enclosed policy for the suggested information to provide to the Board.

Due to travel and COVID-19 restrictions the business meeting and hearing are setup to allow phone-in presentations. Once the docket has been finalized, the dial-in number will be available. To view this docket, go to www.bogc.dnrc.mt.gov, Hearing information, Dockets and orders, and select the April 2021 docket.

If you have any questions, please contact me at (406) 656-0040 or at jhalvorson@mt.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Halvorson".

The form must be signed by both the current owner/operator (transferor) and the proposed new owner/operator (transferee). The current operator of record will continue to be responsible for any wells and associated equipment or facilities until the transfer is approved by an authorized agent of the Montana Board of Oil and Gas Conservation.

For large change of operator submissions, if possible, please include a diskette containing the data list.

The Montana Board of Oil and Gas Conservation may withhold approval of the transfer until the well(s) made the subject of this form is (are) in substantial compliance with all applicable Board rules. All production reports, notices, forms, logs, samples, or other information required by Board law, rule, or order must be on file with the Board. If this form relates to a proposed change in the operator of record for a State of Montana oil and gas lease issued by the Montana Board of Land Commissioners, the parties should send a separate copy of this form to the Montana Department of Natural Resources and Conservation, Trust Lands Management Division, Minerals Management Bureau, 1625 Eleventh Avenue, P.O. Box 201601, Helena Montana 59620-1601.
