Re: Equinor Energy LP - Protest of Docket Nos. 20-2021 – 23-2021

Dear Kelley:

Thank you for the call last week. Following up on our discussion, it is my understanding that our clients were unable to resolve the underlying issues. As a result, please be aware that Equinor Energy will protest Bison Oil and Gas III, LLC's Docket Nos. 20-2021 through 23-2021 at the April 8, 2021 MBOGC hearings in Billings, Montana.

Please do not hesitate to contact me if you have questions or would like to further discuss potential settlement options.

Regards,  
  
Uriah J. Price
