Re: Pending Notice of Intent to Change Operator and Request to Appear

Dear Mr. Blount:

This letter is regarding the Notice of Intent to Change Operator request from Cypress Energy Partners - Sheridan SWD, LLC to Black Gold Energy Sheridan Facility, Inc. (Black Gold) that was recently submitted to the Board of Oil and Gas Conservation (Board).

The Board and its staff have reviewed the request and the transfer involve a commercial disposal well for which the primary purpose is for-profit disposal of oil and gas wastes not generated by the well operator. Due to the Board's transfer of plugging and reclamation policy, the approval of the change of operator request is being referred to the Board. The policy is enclosed. Black Gold is requested to appear at the April 13, 2023, public hearing. At that time, the Board will determine if Black Gold's proposed well plugging and reclamation bond is adequate prior to the approval of the change of operator request. Black Gold and its attorney should review the enclosed policy for the suggested information to provide to the Board.

Please take note that corporations, partnerships, limited-liability companies (LLCs), or any other legal entity that is not a natural person cannot appear before the Board except through an attorney licensed to practice law in the State of Montana. Failure of a designated and duly licensed legal representative to appear at the time and place identified in this hearing notice may result in imposition of sanctions for failure to appear before the Board.

If you have any questions, please contact me at (406) 656-0040 or at bjones@mt.gov.

Sincerely,
